Local teachers and design student among Addy Award winners

OCALA (FL)—Two of the 2008 Addy Award winners are instructors at the Rasmussen College School of Technology and Design teaching digital arts and multimedia design.

Creative Director for Ocala Magazine Jamie Mark won several awards including the Best in Show, a Silver Addy, and the Judges Choice awards presented for the campaign “Natural Corn Killers”.

Kip Williams received a Silver Medal Award from the American Advertising Federation for his contributions to the advertising industry.

In addition to Rasmussen faculty achievements, Tymn Armstrong who won several awards including a Judges Choice award and a Best of Electronic award for Tymnarmstrong.com, is a student at the School of Technology and Design.

The Rasmussen College School of Technology and Design offers bachelor’s degrees in Digital Design and Animation, Game Simulation and Production, and associate’s degrees in Multimedia Design and several degrees in Information Systems Management.

To learn more about the School of Technology and Design, please contact the Ocala campus at (352) 629-1941 or visit www.rasmussen.edu.
