Total degree credits 95*

Pg. 19 Early Childhood Education AS Degree
This program has been revised. See pages 16 and 17 of Addendum for information on the following specializations:
Child and Family Studies Specialization
English Language Learner Specialization
Special Needs Specialization

Pg. 21 Criminal Justice AAS Degree
A Psychology Specialization has been added to this program. See page 25 of Addendum for information on the following specialization:
Psychology Specialization

Pg. 28 Information Systems Management AS Degree
COP 1176, COP 2333, COP 2705C, and CTS 2811C should read:
COP 1176 Introduction to Visual Basic 3
COP 2333 Advanced Visual Basic 3
COP 2705C SQL Server Development 3
CTS 2811C SQL Server Administration 3
COURSE DESCRIPTIONS

Under “Florida’s Statewide Course Numbering System” section:

General Rule for Course Equivalencies
Equivalent courses at different institutions are identified by the same prefixes and same last three digits of the course number and are guaranteed to be transferable between participating institutions that offer the course, with a few exceptions. (Exceptions are listed below.)

For example, a freshman composition skills course is offered by 58 different postsecondary institutions. Each institution uses “ENC_101” to identify its freshman composition skills course. The level code is the first digit and represents the year in which students normally take the course at a specific institution. In the SCNS taxonomy, “ENC” means “English Composition,” the century digit “1” represents “Freshman Composition,” the decade digit “0” represents “Freshman Composition Skills,” and the unit digit “1” represents “Freshman Composition Skills I.”

In the sciences and certain other areas, a “C” or “L” after the course number is known as a lab indicator. The “C” represents a combined lecture and laboratory course that meets in the same place at the same time. The “L” represents a laboratory course or the laboratory part of a course, having the same prefix and course number without a lab indicator, which meets at a different time or place.

Transfer of any successfully completed course from one participating institution to another is guaranteed in cases where the course to be transferred is equivalent to one offered by the receiving institution. Equivalencies are established by the same prefix and last three digits and comparable faculty credentials at both institutions. For example, ENC 1101 is offered at a community college. The same course is offered at a state university as ENC 2101. A student who has successfully completed ENC 1101 at the community college is guaranteed to receive transfer credit for ENC 2101 at the state university if the student transfers. The student cannot be required to take ENC 2101 again since ENC 1101 is equivalent to ENC 2101. Transfer credit must be awarded for successfully completed equivalent courses and used by the receiving institution to determine satisfaction of requirements by transfer students on the same basis as credit awarded to the native students. It is the prerogative of the receiving institution, however, to offer transfer credit for courses successfully completed that have not been designated as equivalent. NOTE: Credit generated at institutions on the quarter-term system may not transfer the equivalent number of credits to institutions on semester-term systems. For example, 4.0 quarter hours often transfers as 2.67 semester hours.

The Course Prefix
The course prefix is a three-letter designator for a major division of an academic discipline, subject matter area, or sub-category of knowledge. The prefix is not intended to identify the department in which a course is offered. Rather, the content of a course determines the assigned prefix to identify the course.

Authority for Acceptance of Equivalent Courses
Section 1007.24(7), Florida Statutes, states:

Any student who transfers among postsecondary institutions that are fully accredited by a regional or national accrediting agency recognized by the United States Department of Education and that participate in the statewide course numbering system shall be awarded credit by the receiving institution for courses satisfactorily completed by the student at the previous institutions. Credit shall be awarded if the courses are judged by the appropriate statewide course numbering system faculty committees representing school districts, public postsecondary educational institutions, and participating nonpublic postsecondary educational institutions to be academically equivalent to courses offered at the receiving institution, including equivalency of faculty credentials, regardless of the public or nonpublic control of the previous institution. The Department of Education shall ensure that credits to be accepted by a receiving institution are generated in courses for which the faculty possess credentials that are comparable to those required by the accrediting association of the receiving institution. The award of credit may be limited to courses that are entered in the statewide course numbering system. Credits awarded pursuant to this subsection shall satisfy institutional requirements on the same basis as credits awarded to native students.

Exceptions to the General Rule for Equivalency
Since the initial implementation of the SCNS, specific disciplines or types of courses have been excepted from

June 2010
the guarantee of transfer for equivalent courses. These include varying topics courses that must be evaluated individually, or applied courses in which the student must be evaluated for mastery of skill and technique. The following courses are exceptions to the general rule for course equivalencies and may not transfer. Transferability is at the discretion of the receiving institution.

A. Courses not offered by the receiving institution.
B. For courses at non-regionally accredited institutions, courses offered prior to the established transfer date of the course in question.
C. Courses in the _900-999 series are not automatically transferable, and must be evaluated individually. These include such courses as Special Topics, Internships, Practica, Study Abroad, Thesis and Dissertations.
D. College preparatory and vocational preparatory courses.
E. Graduate courses.
F. Internships, practica, clinical experiences and study abroad courses with numbers other than those ranging from 900-999.
G. Applied courses in the performing arts (Art, Dance, Interior Design, Music, and Theatre) and skills courses in Criminal Justice are not guaranteed as transferable.

Courses at Nonregionally Accredited Institutions
The Statewide Course Numbering System makes available on its home page (http://scns.fldoe.org) a report entitled “Courses at Nonregionally Accredited Institutions” that contains a comprehensive listing of all nonpublic institution courses in the SCNS inventory, as well as each course’s transfer level and transfer effective date. This report is updated monthly.

Questions about the Statewide Course Numbering System and appeals regarding course credit transfer decisions should be directed to the Campus Director or the Florida Department of Education, Office of Articulation, 1401 Turlington Building, Tallahassee, Florida 32399-0400. Special reports and technical information may be requested by calling the Statewide Course Numbering System office at (850) 245-0427 or via the internet at http://scns.fldoe.org.

PTN 2042 Pharmacy Technician Practicum II (pg. 48)

CHANGE “COURSE DESCRIPTIONS” SECTION TO READ:
B091 Grammar and Writing for English Language Learners (pg. 33)
Prerequisite should read: Prerequisite: Placement determined by assessment score
B092 Academic Reading and Writing (pg. 33)
Prerequisite should read: Prerequisite: Placement determined by assessment score
B093 Active Listening and Speaking (pg. 33)
Prerequisite should read: Prerequisite: Placement determined by assessment score
BSC 2087C Human Anatomy and Physiology I (pg. 33)
Course description should read: A study of the structure and function of the human body. A body system approach to learning will include the integumentary, skeletal, muscular, nervous, sensory, and endocrine systems. Students will complete laboratory exercises coordinated with course content and will include microscopic observation, experimentation, dissection activities and study of anatomical models.
CCJ 1000 Introduction to Criminal Justice (pg. 34)
Prerequisite should read: Prerequisite: none
CJC 1327 Case Management (pg. 35)
Prerequisite should read: Prerequisite: Introduction to Criminal Justice or Introduction to Human Services
CJC 2400 Counseling Clients (pg. 35)
Prerequisite should read:
Prerequisite: Introduction to Criminal Justice or Introduction to Human Services

NUR 1144C Comprehensive Pharmacology (pg. 45)
Course description should read:
This course introduces the student to the basic pharmacologic concepts and principles related to the safe administration of therapeutic agents by nurses to clients of all ages. It is designed to facilitate the student’s understanding of the mechanisms of drug actions and provide a safe approach to drug administration. Students learn major drug classifications and selected prototypes along with principles and techniques of safe, effective administration of drugs & other therapeutic agents, drug interactions, legal responsibilities and nursing considerations for specific drugs affecting all body systems. By the end of the course, students must apply computation skills to demonstrate administration of drugs without error in order to successfully pass the course and progress in the nursing program.

NUR 1211C Adult Health Nursing I (pg. 46)
Course description should read:
This is the first of three adult-health nursing courses. In this course students continue to develop their role as a member of the profession of nursing as a provider of care to clients across the lifespan with uncomplicated medical surgical alterations in health. Pathophysiologic mechanisms of diseases are covered as well as assessment and nursing management with a special emphasis on the chronically ill client. The course curriculum includes concepts that are socially diverse, cultural, and ethnic in nature with regard to the care of clients across the lifespan. The role of the nurse as provider of care, communicator, teacher, manager, and member of a profession are expanded and provide the framework for clinical applications and evaluation. Theoretical knowledge and principles are applied in the skills laboratory and clinical setting.

NUR 2460C Maternal-Child Nursing (pg. 46)
Course description should read:
In this course the student continues to develop the role as a member of the profession of nursing as a provider of care to women, children and families in meeting their basic needs in a variety of settings. Emphasis is placed on knowledge and skills relating to the pediatric population and the childbearing family. The role of the nurse as a provider of care, communicator, teacher, manager, and member of a profession provide the framework for clinical application and evaluation in pediatric and childbearing settings.
NUR 2711C Adult Health Nursing II (pg. 46)
Course description should read:
This is the second of three adult-health nursing courses. The focus of this course is on the care of adults with altered health status in acute care and psychiatric settings. In this course, students continue to develop their role as a member of the profession of nursing as a provider of care to clients with more complex medical-surgical alterations in health. Emphasis is placed on knowledge and skills relating to advanced adult health care in medical-surgical and psychiatric settings. The course curriculum includes concepts that are socially diverse, cultural, and ethnic in nature with regard to the care of clients across the lifespan. The role of the nurse as provider of care, communicator, teacher, manager, and member of a profession are expanded and provide the framework for clinical application and evaluation. Theoretical knowledge and principles are applied in the skills laboratory and clinical setting.

Prerequisite should read:
Prerequisites: Fundamentals of Nursing, Comprehensive Pharmacology, Adult Nursing I

NUR 2712C Adult Health Nursing III (pg. 46)
Course description should read:
This is the third of three adult-health nursing courses. The focus of this course is on the care of adults with altered health status. This concentrated clinical course in an acute care setting promotes the student’s transition from student to graduate with its emphasis on management of care and leadership, functional health patterns, professional behaviors, communication. Clinical decision making, caring interventions, teaching and learning, collaboration, and managing care activities in a broad in-depth application of the nursing process in the clinical management of group of patients. The course curriculum includes concepts that are socially diverse, cultural, and ethnic in nature with regard to the care of clients across the lifespan. The roles of the nurse as provider of care, communicator, teacher, manager, and member of a profession are expanded and provide the framework for clinical application and evaluation. Theoretical knowledge and principles are applied in the skills laboratory and clinical setting.

Prerequisite/Co-requisite should read:
Prerequisites: Fundamentals of Nursing, Comprehensive Pharmacology, Adult Nursing I, Maternal-Child Nursing, Adult Nursing II

NUR 2820 Nursing Role and Scope (pg. 46)
Course description should read:
This course is designed to assist the graduating student in the transition to the role of the registered nurse. Client care management concepts and the legal, ethical, and professional responsibilities of the registered nurse are stressed.

PLA 1103 Introduction to Legal Research (pg. 46)
Prerequisite should read:
Co-requisite: Introduction to Law and the Legal System

PLA 2732 Law Office Technology (pg. 47)
Prerequisite should read:
Prerequisite: Introduction to Law and the Legal System

PRN 0120C Child Nursing (pg. 47)
Course title should read:
PRN 0120C Maternal/Child Nursing

PTN 1023 Introduction to Pharmacology (pg. 48)
Should read:
PTN 1023 Pharmacology for the Allied Health Professional
40 hours, 4 credits
Students in this course will learn the pharmacology concepts necessary for a variety of allied health programs. They will study drugs according to their therapeutic applications. They will examine pertinent physiology and related diseases before discussing the pharmacology of the drug. Students will also learn basic regulations that apply to drugs.

Prerequisites: 1) Medical Terminology and 2) Human Anatomy and Physiology I or Structure and Function of the Human Body

PTN 2012 Unit Dose/IV Lab (pg. 48)
Course title should read:
PTN 2012 Unit Dose and Medication Preparation

STA 2021 Introduction to Statistics (pg. 48)
Course description should read:
The general education statistics course provides students with an opportunity to acquire a reasonable level of statistical literacy and thus expand their base for understanding a variety of work-related, societal, and personal problems and statistical approaches to solutions of these problems. The main objective of the course is the

June 2010
development of statistical reasoning. Detailed techniques of statistical analysis and the mathematical development of statistical procedures are not emphasized.

Prerequisite should read:
Prerequisite: Passing grade in Foundations coursework or placement determined by placement test score.

ADD TO “COURSE DESCRIPTIONS” SECTION:

B390 Human Resource Information Systems
40 hours, 4 credits
This course examines the role of human resources information systems in today's organizations and human resources departments. Key areas of focus include human resource information systems design, acquisition, and implementation. The role of these systems in talent acquisition and management is also examined.

Prerequisite: Computer Information Systems

EEC 1945 Early Childhood Education Externship
180 hours, 6 credits
Under externship supervision, the student will observe and implement developmentally appropriate practices while interacting with children and families.

Prerequisite: none

EEC 1946 Early Childhood Education Externship II
180 hours, 6 credits
Students continue their externship experience in an early childhood setting. The focus is on developmentally appropriate practices and leadership.

Prerequisite: Early Childhood Education Externship

EEC 1947 Early Childhood Externship III
180 hours, 6 credits
Students will complete their externship experience in an early childhood setting. The focus is on developmentally appropriate practices and leadership.

Prerequisite: Early Childhood Education Externship II

EEC 2213 Language and Literacy Acquisition
40 hours, 4 credits
Students will examine how infant, toddler, preschool, and school-aged English language learners acquire language and literacy. They will be exposed to early childhood programs that support children’s home languages, and explore how to create an environment that sustains English Language Learners.

Prerequisite: Early Childhood Education Externship III

EEC 2220 Curriculum and Instruction for English Language Learners
40 hours, 4 credits
Students will explore practical strategies in curriculum and instruction for English Language Learners. They will apply principles of developmentally appropriate practice in the context of educating dual language learners.

Prerequisite: Early Childhood Education Externship III

EEC 2225 Guiding Children's Behavior
40 hours, 4 credits
Students will explore how to use guidance in the early childhood setting, with an emphasis on understanding why young children exhibit certain behaviors and how we can meet the child’s needs effectively and with support. Students will learn how to provide positive guidance to young children with challenging behavior.

Prerequisite: Early Childhood Education Externship III

EEC 2270 Introduction to English Language Learners
40 hours, 4 credits
Students will explore effective ways to adapt English language instruction to teach learners in our increasingly diverse population of young children and families. They will examine a range of communication styles, learning styles, and behaviors that affect English language teaching and learning. They will analyze the development of English language skills in all domains through social and cultural lenses.

Prerequisite: Early Childhood Education Externship III

EEC 2271 Curriculum and Instruction for Special Needs Children
40 hours, 4 credits
Students will explore how to adapt developmentally appropriate curriculum to support the development of children with special needs. They will learn strategies for effective partnering with other professionals and parents to ensure the achievement of developmental goals.

Prerequisite: Early Childhood Education Externship III

EEC 2272 The Inclusive Classroom
40 hours, 4 credits
Students will learn strategies for promoting and supporting
an inclusive classroom. They will analyze environmental restrictions and explore how to support young children with special needs in the early childhood setting.

Prerequisite: Early Childhood Education Externship III

**EEC 2402 Family Resource Management**
*40 hours, 4 credits*
Students will investigate how resources are assessed, allocated, and utilized within families. They will explore strategies for helping families manage resources through various problem-solving methods.

Prerequisite: Early Childhood Education Externship III

**EEC 2403 Advocating for Special Needs Children**
*40 hours, 4 credits*
Students will explore current trends, resources, and advocacy on behalf of young children with special needs. They will examine their role in supporting and advocating for young children with special needs and their families.

Prerequisite: Early Childhood Education Externship III

**EEC 2404 Child and Family Advocacy**
*40 hours, 4 credits*
Students will explore and develop skills to advocate for children and families. They will review legislation, social policy, and advocacy techniques. Students will also investigate several current and controversial issues within the early childhood profession, and explore current research on early childhood education issues.

Prerequisite: Early Childhood Education Externship III

**EEC 2412 Involving Parents of English Language Learners**
*40 hours, 4 credits*
Students will explore how to engage and support family involvement for English Language Learners. They will examine methods for maintaining effective communication and developing strong relationships with the families of English Language Learners.

Prerequisite: Early Childhood Education Externship III

**EEC 2613 Observation and Assessment in Early Childhood Education**
*40 hours, 4 credits*
Students will explore effective strategies for observation and assessment in early childhood education. They will understand the observation, assessment, and planning cycle and its impact on promoting children’s development.

Prerequisite: Early Childhood Education Externship III

**EEC 2930 Early Childhood Education Capstone**
*20 hours, 2 credits*
Students will integrate the knowledge and skills gained from coursework in the Early Childhood Education Program. They will complete a capstone project that integrates knowledge and skills in child development, health and nutrition, curriculum and instruction, observation and assessment, and other areas relevant to the field.

Prerequisite: Early Childhood Education student in last or second-to-last quarter.

**HUS 1001 Introduction to Human Services**
*40 hours, 4 credits*
Introduction to Human Services exposes the student to the many facets of human services work. Topics to be explored include programs, policies, history, politics, and how current economics shape programs. Human service intervention strategies utilized in daily practice are examined along with stresses faced in the workplace. Comparisons of human services systems from a variety of countries will also be examined.

Prerequisite: none

**HUS 1320 Introductory Strategies to Crisis Intervention**
*40 hours, 4 credits*
This course sets the foundation for students to develop the morals, ethics, and attitude necessary to strategically help those in crisis situations. The values and ethics intrinsic to the human services profession will be explored, as well as developing interpersonal communication skills. Students will explore how human services professionals function as change agents and must therefore attain and develop a core of intervention knowledge, theory, and skills to effectively deal with people in crisis. The ability to create genuine and empathetic relationships with others is central to those entering the human services field. Intervention strategies are also explored.

Prerequisite: Introduction to Human Services

**HUS 1551 Cultural Diversity in Human Services**
*40 hours, 4 credits*
This course will examine diversity in many communities and the cross-cultural service delivery available in those
communities. Specific client populations will be explored, with an understanding of what cultural, physical, and mental diversity is and why it is important. Special attention will be paid to working with people of both mental and physical disabilities. Those disabilities include, but are not limited to, mental retardation, autism, and Asperger’s Syndrome.

Prerequisite: Introduction to Human Services

**HUS 2520 Abnormal Psychology**  
**40 hours, 4 credits**  
In this course students will understand the applied discipline of abnormal psychology. In order to understand and change abnormal patterns of functioning humans in their communities, thoughts and behavior will be examined. Students will explore what is abnormal behavior and what is not in current society and cultures. Numerous applications will be examined, including a variety of mental health disorders, individuals who have difficulty functioning effectively in everyday life, the impact of family dysfunction on the individual, and the influence of mental illness on criminal behavior. Variables that may affect a person’s ability to adapt and function in a community will be considered, such as one’s genetic makeup, physical condition, learning, reasoning, and socialization.

Prerequisite: Introduction to Psychology

**HUS 2540 Community Psychology**  
**40 hours, 4 credits**  
Community Psychology focuses on the four systems which function in a community: the mental health system, the educational system, the criminal justice system, and the social service system. As human service professionals, students will analyze problems in these communities and will evaluate individuals functioning in these systems, offering both answers and proactive models of prevention. Community psychology works toward the empowerment of members within a community, while appreciating diversity and understanding human behavior. Social change will be examined as well as understanding that setting or environment is as important as the individual in it.

Prerequisite: Introduction to Psychology

**HUS 2712 Organization and Leadership in Human Services**  
**40 hours, 4 credits**  
Working and managing within a human services organization takes high morals, standards, and ethics. Through this course, students will consider the complexity of moral and ethical dilemmas in navigating and managing in the human service industry. Students will learn decision-making techniques to include the necessary components for an ethical reasoning process. In order to have a strong foundation of practice, students will learn to how to build a strong ethical organization through culture, climate, and structure.

Prerequisite: Case Management, Counseling Clients

**HUS 2940 Human Services Internship**  
**260 hours, 9 credits**  
Field experience is a key learning experience in a human services delivery organization. It is a process of experiential learning that integrates the knowledge, theory, skills, and professional behaviors that are concurrently being taught within the classroom. It is an integral part of the total educational process.

Prerequisite: Students must be in their last or second to last quarter before graduation.

**MAR 2011 Principles of Marketing**  
**40 hours, 4 credits**  
This course serves as an introduction to the marketing concept, integrating seven key marketing perspectives. Topics include consumer buying behavior, business-to-business markets and organizational buying behavior, market research techniques, fundamental pricing concepts, marketing channels and logistics, integrated marketing communications, and marketing’s role in electronic commerce.

Prerequisite: none
Add policy:
2+2 Matriculation
Students who have completed an associate’s degree from an accredited institution may enroll in a Rasmussen College bachelor’s degree in the same program area (i.e., business degrees are required for business, accounting for accounting, criminal justice/law enforcement for criminal justice) with immediate junior-level standing. A block of 90 quarter credits for graduates from other accredited institutions or the number of credits earned from Rasmussen College graduates—minus any credits needed because of prerequisites or program emphasis that are lacking—will be posted in the student’s academic transcript upon enrollment. Students who have not completed emphasis courses or prerequisite courses for junior- or senior-level coursework may be required to complete the emphasis courses or prerequisites, depending on the applicability of their prior coursework. Students must complete the required number of total credits, including all emphasis credits, to graduate from the bachelor’s degree program.

Add policy:
Early Childhood Education AAS Degree and Business Management Bachelor's Degree with Child Development Specialization
Students who have earned a Florida Child Care Professional Credential (FCCPC), formerly known as the CDA-Equivalent or who have earned a CDA, awarded by the National Council within the past three years, awarded by The Florida Department of Children and Families, and are enrolled in the Early Childhood Education Associate’s degree or Business Management – Child Development Specialization Associate’s degree may request a waiver from Foundations of Child Development; Curriculum and Instruction; and Health, Safety and Nutrition if they wish. The Academic Dean will review the student’s credential, and if the criteria are met, will waive the course requirements and the grades will be posted on the student record as a “CW.”

Pg. 49 Background Checks
First paragraph of policy should read
For some programs, Rasmussen College requires applicants to pass a background check before admission. Note that “passing” a criminal background check is determined by Rasmussen College, in its sole discretion. The background check is designed to alert students to issues that may impair their ability to complete practicum activities or obtain employment upon graduation. The programs that require a background check for admission are the following:
• Health Information Technician AS
• Massage Therapy AS
• Medical Assisting AS/Diploma
• Medical Laboratory Technician AS
• Pharmacy Technician AS
• Early Childhood Education AS
• Criminal Justice BS/AS
• Paralegal AS/Certificate
• Nursing AS
• Practical Nursing Diploma

Pg. 49 College Acceptance or Rejection of Application Admission
Under “Background Checks:”
Delete “Health Information Technician AAS

Pg. 49 Applying to the Medical Laboratory Technician, Surgical Technologist, and School of Nursing Programs
Policy should read
Applying to the Medical Laboratory Technician Program
Applicants must achieve a score on the STEP placement exam above that requiring a Foundations course as detailed in the current Rasmussen College catalog. Applicants must be able to qualify for Math and English Composition coursework even if plans are to transfer credits from a previously attended program. Former or current students who have achieved a STEP score above that requiring a Foundations course are not required to repeat the STEP test.

Once applicants have achieved a sufficient STEP score, they will be scheduled for the Evolve A2 entrance exam. Applicants must pay a $75 non-refundable testing fee (covering the exam, and the study guide to be issued to the student) at time of scheduling. Applicants will take the Evolve A2 at a Rasmussen College campus. To be considered for admissions, applicants must achieve a score of 70% in the areas of Math, Vocabulary, Reading, and Grammar.
Applicants who achieve the required Evolve A2 score will be contacted by the College to complete the following:

- Application
- Application fee
- Background screening
- Any additional program-specific requirements as specified at the time of enrollment. A Health physical will be required and must be completed within the 6 months prior to the internship/practicum.

Applicants who wish to repeat the Evolve A2 to increase their score must submit a $30 non-refundable re-test fee. Only two attempts will be granted during a six-month period. Applicants who do not achieve the required score as listed above will not be able to repeat the entrance process for 6 months after the date of the second exam. After this period applicants must repeat the entire entrance process before acceptance can be granted. Current students in other programs wishing to transfer into a course of study requiring the admissions standards outlined above will be required to take or retake the Evolve A2.

Once the applicant file is complete, the College will schedule an interview between the applicant, the Dean of Nursing, and the Financial Aid and Admissions departments.

Students accepted into the School of Nursing will receive a letter from the College via registered mail.

The College may choose two additional applicants as alternates to join the program if another applicant is deemed ineligible or decides not to begin class. These two alternates must complete all the necessary steps for admission. Alternates will be guaranteed the opportunity for enrollment into the next cohort provided they remain eligible for admission.

Students must attend programmatic orientation as well as general orientation or risk being dismissed from the cohort.

Applying to the School of Nursing
Applicants must achieve a score on the STEP exam above that requiring a Foundations course as detailed in the current Rasmussen College catalog. Applicants must be able to qualify for Math and English Composition coursework even if plans are to transfer credits from a previously attended program. Former or current students who have achieved a STEP score above that requiring a Foundations course are not required to repeat the STEP test.

Once applicants have achieved a sufficient STEP score, they will be scheduled for the Evolve A2 entrance exam. Applicants must pay a $75 non-refundable testing fee (covering the exam, and the study guide to be issued to the student) at time of scheduling. Applicants will take the Evolve A2 at a Rasmussen College campus. To be considered for admission, applicants must achieve the following scores in the areas of Math, Vocabulary, Reading, and Grammar (Biology, Chemistry, Anatomy, and Physiology are not required and may be omitted):

- Practical Nursing (PN) 70
- Professional Nursing 80

Applicants who achieve the required Evolve A2 score will be contacted by the College to complete the following:

- Application
- Application Fee
- Health Evaluation completed by a licensed physician or nurse practitioner. Evaluation must include immunization record.
- Proof of Hepatitis B vaccination or a current titer must be submitted before admission. If not yet administered, the series of Hepatitis B vaccinations (3) must be started before being accepted into the program and completed before the first day of clinical practice.
- A TB exam or x-ray must be completed before the first day of clinical practice and annually thereafter.
- High school diploma or attestation
- Official college transcripts
- A background evaluation will be performed prior to acceptance into the School of Nursing and possibly again before advancing to clinical practice

Applicants who wish to repeat the Evolve A2 to increase their score must submit a $30 non-refundable re-test fee. Former Rasmussen College School of Nursing students who have not been enrolled for more than 12 months must successfully repeat the Evolve A2 to be deemed eligible for reenrollment. Current Rasmussen College students not enrolled in the School of Nursing but wishing to apply must follow the Rasmussen College School of Nursing admissions process.

Once the applicant file is complete, the College will schedule an interview between the applicant, the Dean of Nursing, and the Financial Aid and Admissions departments.

Students accepted into the School of Nursing will receive a letter from the College via registered mail. Accepting nursing
applicants must attend all orientations scheduled by the School of Nursing and the College. Failure to attend will result in dismissal from the School of Nursing.

Applicants not accepted can reapply the following quarter but must make certain that all date-sensitive documents listed above are current and complete.

Pg. 50 Developmental Education
Third paragraph should read:
B097 Foundations of English I is not offered online. Students who place at the level of Foundations of English I after taking the placement examination are not eligible to enroll in online classes or online programs until the successful completion of B097.

Pg. 50 Grading System
Under “Point Scale”:
“WX” grade should read “Foundations Withdrawal”

Pg. 50 Grading System
Under “Lab-Intensive Allied Health Programs Grade Scale,” make the following changes:
1. Delete “Lab-Intensive” in section title so new section title reads “Allied Health Programs Grade Scale”
2. Change first sentence below that to read “The following grade scale applies to all ES, MA, ML, MT, PB, PT, ST, and M coursework.”

Pg. 50 Foundations Course Grading Scale
Foundations of Math Grading should read:
SX 60% or more
UX Below 60%

Pg. 51 Incomplete Grade Policy
First line of first paragraph:
“I/In” should read “I/IN”

Pg. 51 Incomplete Policy for Practicums
Delete this entire section.

Pg. 51 Credit by Examination
Second paragraph should read:
Program-specific Massage Therapy, Medical Laboratory Technician, and Nursing courses, and 2000-level Pharmacy Technician courses are not available for credit by examination. In addition, the Healthcare Information Technologies, Pharmacy Software/Automation/Insurance Billing, and Introduction to Human Biology courses are not available for credit by examination.

Pg. 51 Course Waivers
Second paragraph should read:
Students with a minimum cumulative GPA of 3.0 in their program major courses and who have significant coding experience may request a waiver for M251 Medical Coding Practicum. Students must complete and submit the required paperwork to their Program Coordinator for approval prior to the start of the quarter of the practicum. Documentation will be required from the student’s employer. The Program Coordinator will inform the Academic Dean of the result of the evaluation, and if the waiver is granted, the grade posted in the student record will be a “CW.”

Pg. 52 Transfer Credit Policy
8g should read:
8g. For courses that are not part of a conferred degree to be considered for transfer, credits for major/core courses completed at other institutions must have been earned within the previous ten years of the transfer request date; for courses that are part of a conferred degree that are applicable to the program in which the student enrolls, the time restriction may be waived. Credits in information technology or computer science/computer applications completed at other institutions must have been earned within the previous five years of the transfer request date. Credits in nursing completed at other institutions or at Rasmussen College must have been earned within the previous one year of the transfer request date. General education credits may be considered for transfer regardless of completion date. General education courses that are included as part of a program major/core are to be considered as general education credits for purposes of transfer.

Pg. 53 School of Business Mission Statement
Add the following paragraph before “Graduation Requirements” paragraph:
The Rasmussen School of Business prepares students for an ever-changing business environment. This goal is accomplished by offering market-focused skills and leading-edge programs that address the global marketplace. We
measure our success by the academic performance, commitment to life-long learning, and professional contributions of our graduates. Graduates of the School of Business will be active contributors and leaders in their chosen fields and diverse communities.

Pg. 53 Transcripts
Policy should read:
Official transcripts of credits will be given to students when all tuition obligations have been met.

A fee of $5.00 is charged for each official transcript. This fee is charged to all students requesting an academic transcript with exception of graduates and completers.

The institution reserves the right to withhold official academic transcripts from students under certain circumstances such as having an outstanding financial obligation to the College.

Pg. 53 Attendance
Add a fourth paragraph that says:
Practicums/Externships in Allied Health programs have attendance expectations that differ from the attendance policy above. These attendance policies can be found in the program-specific manuals/handbooks.

Pg. 53 Academic Misconduct Policy
Fourth paragraph should read:
The offenses can be from two different courses, or from the same course in the same quarter. The administration reserves the right to expel a student from the College if there are more than two offenses. Aiding and abetting in cheating is considered as grave as initiating the cheating, and will be treated in the same manner. Instructors and deans should work together to the extent possible prior to any communication with the student to determine the exact nature of the incident or incidents in question, in order to determine if misconduct has indeed occurred and how the

Pg. 53 Early Honors Program | Terms and Conditions
(May 2010)
New policy should read:
Students must meet the following criteria and expectations to participate in the Early Honors Program at Rasmussen College:

- Students must complete an Early Honors Program Application, which includes a high school attestation indicating expected graduation date. Early Honors students are not required to submit an application fee.
- Students must have prior approval from a parent/guardian to be admitted into the program (requires a signed Early Honors Parent/Guardian Approval Form).
- Students must submit a signed Early Honors High School Approval Form.
- Students are required to be a junior or senior, and have a minimum cumulative high school grade point average of 2.25 (out of a possible 4.00). Such GPA must be validated by the High School Counselor or Administrator on the Early Honors High School Approval Form.
- The Early Honors Program Application deadline is four weeks prior to the start of the intended quarter of enrollment.
- A maximum of 20 Early Honors students will be accepted per quarter, per campus.
- To continue enrollment in the Early Honors Program, students must maintain a minimum Rasmussen College cumulative grade point average of 2.00 (out of a possible 4.00).
- Students must score at least a 25 on the writing portion of the Rasmussen College STEP assessment to be accepted and admitted into the Early Honors Program.
- Juniors or seniors may take up to 4 credits per quarter without a tuition charge. The student must meet with the DOA and Dean of Student Learning before being accepted to ensure the student meets all criteria and requirements, and to approve the schedule. After receiving a grade of B or higher in his/her first class, the student can request a second class for the second quarter. A maximum of 24 credits per student can be taken in the Early Honors Program.

June 2010
• Applicants will be accepted on a space available basis for each course selected.
• Early Honors students must meet all course prerequisites as listed in the catalog. Nursing courses designated with a “PN”, “PRN” or “NUR” are not available to Early Honors students.
• Students must cover the cost of textbooks and supplies for each course. Most technology courses require access to specialized hardware and software, which are available to students at all Rasmussen campuses. Early Honors students electing to complete courses online will need to secure access to required hardware and software. The college will provide specific information on each course, including textbook prices and technology requirements.
• Students will receive college credit toward a Bachelor’s or Associate’s Degree at Rasmussen College for all successfully completed courses. Students who elect to pursue their education at another academic institution will be issued a transcript from Rasmussen College. These credits may be transferable at the discretion of the receiving institution.
• Students will receive high school dual enrollment credit for successfully completed Early Honors courses at the discretion of the student’s high school. Approval for dual enrollment credit must be confirmed on the High School Approval Form.
• Students may apply to a full program of study by completing an Application for Admission and submitting an application fee.

Commission on Accreditation for Health Informatics and Information Management Education (CAHIIM).

The Health Information Technician Associate’s degree offered at the Aurora Campus is in Candidacy Status for accreditation by the Commission on Health Informatics and Information Management Education (CAHIIM).

HUMAN SERVICES AS DEGREE
• 6 Quarters Full-Time  • 8 Quarters Part-Time

CAREER OPPORTUNITIES
• Community Service Specialist  • Social Service Specialist
• Human Service Assistant     • Program Assistant

OBJECTIVE
Graduates of this program know basic concepts of psychology, sociology, counseling, crisis intervention, case management, community and service networking, assessment, and documentation. They understand how human services work from an individual, organizational, and community perspective. They can apply critical thinking to issues in human services such as education, training and self development, facilitation of services, advocacy, organizational participation, and community living skills and supports. They value critical thinking, communication, diverse perspectives, technology and information literacy, and providing services to individuals or groups with varying needs.

FOUNDATION COURSES
B097  Foundations of English I  4
B098  Foundations of English II  4
B099  Foundations of Math  4

Students must either demonstrate mastery of the subject matter in Foundation Courses through a STEP placement exam or by successful completion of B097, B098, and/or B099.

MAJOR AND CORE COURSES
CGS 1190C  Computer Information Systems  3

**EARLY CHILDHOOD EDUCATION AS DEGREE**

- 6 Quarters Full-Time  
- 8 Quarters Part-Time

**CAREER OPPORTUNITIES**

- Early Childhood Instructor  
- Teacher Assistant  
- Child Care Director  
- Home-School Liaison

**OBJECTIVE**

Graduates of this program know principles of child development, health and safety, curriculum, and instruction. They understand observation and assessment techniques for young children. They can plan and implement curriculum for early childhood programs and child and family service settings, establish and maintain a safe environment, and guide young children’s behavior in the early childhood classroom. Graduates value critical thinking, communication, diverse perspectives, technology and information literacy, and lifelong learning.
