Students will integrate the knowledge and skills gained from coursework in the Early Childhood Education program. They will complete a capstone project that integrates knowledge and skills in child development, health and nutrition, curriculum and instruction, observation and assessment, and other areas relevant to the field.

Prerequisite: Early Childhood Education student in last or second-to-last quarter.

**HS100 Introduction to Human Services**
40 hours, 4 credits
Introduction to Human Services exposes the student to the many facets of human services work. Topics to be explored include programs, policies, history, politics, and how current economics shape programs. Human service intervention strategies utilized in daily practice are examined along with stresses faced in the workplace. Comparisons of human services systems from a variety of countries will also be examined.

Prerequisite: none

**HS110 Cultural Diversity in Human Services**
40 hours, 4 credits
This course will examine diversity in many communities and the cross-cultural service delivery available in those communities. Specific client populations will be explored, with an understanding of what cultural, physical, and mental diversity is and why it is important. Special attention will be paid to working with people of both mental and physical disabilities. Those disabilities include, but are not limited to, mental retardation, autism, and Asperger’s Syndrome.

Prerequisite: Introduction to Human Services

**HS115 Introductory Strategies to Crisis Intervention**
40 hours, 4 credits
This course sets the foundation for students to develop the morals, ethics, and attitude necessary to strategically help those in crisis situations. The values and ethics intrinsic to the human services profession will be explored, as well as developing interpersonal communication skills. Students will explore how human services professionals function as change agents and must therefore attain and develop a core of intervention knowledge, theory, and skills to
effectively deal with people in crisis. The ability to create genuine and empathetic relationships with others is central to those entering the human services field. Intervention strategies are also explored.

Prerequisite: Introduction to Human Services

**HS250 Organization and Leadership in Human Services**

*40 hours, 4 credits*

Working and managing within a human services organization takes high morals, standards, and ethics. Through this course, students will consider the complexity of moral and ethical dilemmas in navigating and managing in the human service industry. Students will learn decision-making techniques to include the necessary components for an ethical reasoning process. In order to have a strong foundation of practice, students will learn to how to build a strong ethical organization through culture, climate, and structure.

Prerequisite: Case Management, Counseling Clients

**HS260 Community Psychology**

*40 hours, 4 credits*

Community Psychology focuses on the four systems which function in a community: the mental health system, the educational system, the criminal justice system, and the social service system. As human service professionals, students will analyze problems in these communities and will evaluate individuals functioning in these systems, offering both answers and proactive models of prevention. Community psychology works toward the empowerment of members within a community, while appreciating diversity and understanding human behavior. Social change will be examined as well as understanding that setting or environment is as important as the individual in it.

Prerequisite: Introduction to Psychology

**HS280 Abnormal Psychology**

*40 hours, 4 credits*

In this course students will understand the applied discipline of abnormal psychology. In order to understand and change abnormal patterns of functioning humans in their communities, thoughts and behavior will be examined. Students will explore what is abnormal behavior and what is not in current society and cultures. Numerous applications will be examined, including a variety of mental health disorders, individuals who have difficulty functioning effectively in everyday life, the impact of family dysfunction on the individual, and the influence of mental illness on criminal behavior. Variables that may affect a person’s ability to adapt and function in a community will be considered, such as one’s genetic makeup, physical condition, learning, reasoning, and socialization.

Prerequisite: Introduction to Psychology

**HS290 Human Services Internship**

*260 hours, 9 credits*

Field experience is a key learning experience in a human services delivery organization. It is a process of experiential learning that integrates the knowledge, theory, skills, and professional behaviors that are concurrently being taught within the classroom. It is an integral part of the total educational process.

Prerequisite: Students must be in their last or second to last quarter before graduation.
ACADEMIC INFORMATION AND COLLEGE POLICIES

Add policy:
2+2 Matriculation
Students who have completed an associate’s degree from an accredited institution may enroll in a Rasmussen College bachelor’s degree in the same program area (i.e., business degrees are required for business, accounting for accounting, criminal justice / law enforcement for criminal justice) with immediate junior-level standing. A block of 90 quarter credits for graduates from other accredited institutions or the number of credits earned from Rasmussen College graduates—minus any credits needed because of prerequisites or program emphasis that are lacking—will be posted in the student’s academic transcript upon enrollment. Students who have not completed emphasis courses or prerequisite courses for junior- or senior-level coursework may be required to complete the emphasis courses or prerequisites, depending on the applicability of their prior coursework. Students must complete the required number of total credits, including all emphasis credits, to graduate from the bachelor’s degree program.

Add policy:
Medical Assisting Program Enrollment
Beginning in April 2010 students will be able to enroll in the Medical Assisting Program four times per year – in January, April, July, and October. Enrollment will be limited to 25 full-time students each quarter in the Medical Assisting Program. Students must complete their Medical Assisting cohort courses during the day; foundations and general education courses may be taken online or in the evening. In order to ensure appropriate progression through the program, Medical Assisting Students must maintain a schedule of at least three courses per quarter unless the student has received transfer credits or tested out of a course upon admission into the program.

Add policy:
Early Childhood Education AAS Degree and Business Management Bachelor’s Degree with Child Development Specialization
Students who have earned a CDA Credential within the past three years, awarded by the National Council of Professional Recognition, and are enrolled in the Early Childhood Education Associate’s degree or Business Management – Child Development Specialization Associate’s degree may request a waiver from Foundations of Child Development; Curriculum and Instruction; and Health, Safety and Nutrition if they wish. The Academic Dean will review the student’s credential, and if the criteria are met, will waive the course requirements and the grades will be posted on the student record as a “CW.”

Applying to the Medical Laboratory Technician Program
Policy should read:
Applicants must achieve a score on the STEP placement exam above that requiring a Foundations course as detailed in the current Rasmussen College catalog. Applicants must be able to qualify for Math and English Composition coursework even if plans are to transfer credits from a previously attended program. Former or current students who have achieved a STEP score above that requiring a Foundations course are not required to repeat the STEP test.

Once applicants have achieved a sufficient STEP score, they will be scheduled for the Evolve A2 entrance exam. Applicants must pay a $75 non-refundable testing fee (covering the exam, and the study guide to be issued to the student) at time of scheduling. Applicants will take the Evolve A2 at a Rasmussen College campus. To be considered for admissions, applicants must achieve a score of 70% in the areas of Math, Vocabulary, Reading, and Grammar.

Applicants who achieve the required Evolve A2 score will be contacted by the College to complete the following:
- Application
- Application fee
- Background screening
- Any additional program-specific requirements as specified at the time of enrollment. A Health physical will be required and must be completed within the 6 months prior to the internship/practicum.

Applicants who wish to repeat the Evolve A2 to increase their score must submit a $30 non-refundable re-test fee. Only two attempts will be granted during a six-month period. Applicants who do not achieve the required score as listed above will not be able to repeat the entrance process for 6 months after the date of the second exam. After this period applicants must repeat the entire entrance process.
before acceptance can be granted. Current students in other programs wishing to transfer into a course of study requiring the admissions standards outlined above will be required to take or retake the Evolve A2.

Once the applicant file is complete, the College will schedule an interview between the applicant and Program Coordinator/Director.

Students accepted into their program will receive a letter from the College via registered mail.

The College may choose two additional applicants as alternates to join the program if another applicant is deemed ineligible or decides not to begin class. These two alternates must complete all the necessary steps for admission. Alternates will be guaranteed the opportunity for enrollment into the next cohort provided they remain eligible for admission.

Students must attend programmatic orientation as well as general orientation or risk being dismissed from the cohort.

Pg. 31 **Background Checks**

First paragraph of policy should read:

For some programs, Rasmussen College requires applicants to pass a background check before admission. Note that “passing” a criminal background check is determined by Rasmussen College, in its sole discretion. The background check is designed to alert students to issues that may impair their ability to complete practicum activities or obtain employment upon graduation. The programs that require a background check for admission are the following:

- Health Information Technician AAS
- Massage Therapy AAS/Diploma
- Medical Assisting AAS
- Medical Laboratory Technician AAS
- Pharmacy Technician AAS
- Early Childhood Education AAS
- Early Childhood Education Certificate
- Criminal Justice AAS
- Paralegal AAS/Certificate

Pg. 31 **Grading System**

Under “Point Scale”:

“WX” grade should read “Foundations Withdrawal”

Pg. 31 **Grading System**

Under “Lab-Intensive Allied Health Programs Grade Scale,” make the following changes:

1. Delete “Lab-Intensive” in section title so new section title reads “Allied Health Programs Grade Scale”
2. Change first sentence below that to read “The following grade scale applies to all ES, MA, ML, MT, PB, PT, ST, and M coursework.”

Pg. 31 **Foundations Course Grading Scale**

Foundations of Math Grading should read:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>SX</td>
<td>60% or more</td>
</tr>
<tr>
<td>UX</td>
<td>Below 60%</td>
</tr>
</tbody>
</table>

Pg. 32 **Incomplete Grade Policy**

First line of first paragraph:

“I/In” should read “I/IN”

Pg. 45 **Incomplete Policy for Practicums**

Delete this entire section.

Pg. 32 **Credit by Examination**

Second paragraph should read:

Program-specific Massage Therapy, Medical Assisting, and Medical Laboratory Technician courses, and 200-level Pharmacy Technician courses are not available for credit by examination. In addition, the Healthcare Information Technologies, Pharmacy Software/Automation/Insurance Billing, and Introduction to Human Biology courses are not available for credit by examination.

Pg. 33 **Transfer Credit Policy**

8g should read:

8g. For courses that are not part of a conferred degree to be considered for transfer, credits for major/core courses...
completed at other institutions must have been earned within the previous ten years of the transfer request date; for courses that are part of a conferred degree that are applicable to the program in which the student enrolls, the time restriction may be waived. Credits in information technology or computer science/computer applications completed at other institutions must have been earned within the previous five years of the transfer request date. Credits in nursing completed at other institutions or at Rasmussen College must have been earned within the previous one year of the transfer request date. General education credits may be considered for transfer regardless of completion date. General education courses that are included as part of a program major/core are to be considered as general education credits for purposes of transfer.

Pg. 33 School of Business Mission Statement
Add the following paragraph before “Graduation Requirements” paragraph:
The Rasmussen School of Business prepares students for an ever-changing business environment. This goal is accomplished by offering market-focused skills and leading-edge programs that address the global marketplace. We measure our success by the academic performance, commitment to life-long learning, and professional contributions of our graduates. Graduates of the School of Business will be active contributors and leaders in their chosen fields and diverse communities.

Pg. 33 Course Waivers
Second paragraph should read:
Students with a minimum cumulative GPA of 3.0 in their program major courses and who have significant coding experience may request a waiver for M251 Medical Coding Practicum. Students must complete and submit the required paperwork to their Program Coordinator for approval prior to the start of the quarter of the practicum. Documentation will be required from the student’s employer. The Program Coordinator will inform the Academic Dean of the result of the evaluation, and if the waiver is granted, the grade posted in the student record will be a “CW.”

Pg. 34 Transcripts
Policy should read:
Official transcripts of credits will be given to students when all tuition obligations have been met.

A fee of $5.00 is charged for each official transcript. This fee is charged to all students requesting an academic transcript with exception to graduates and completers.

The institution reserves the right to withhold official academic transcripts from students under certain circumstances such as having an outstanding financial obligation to the College.

Pg. 34 Attendance
Add a fourth paragraph that says:
Practicums/Externships in Allied Health programs have attendance expectations that differ from the attendance policy above. These attendance policies can be found in the program-specific manuals/handbooks.

Pg. 34 Academic Misconduct Policy
Fourth paragraph should read:
The offenses can be from two different courses, or from the same course in the same quarter. The administration reserves the right to expel a student from the College if there are more than two offenses. Aiding and abetting in cheating is considered as grave as initiating the cheating, and will be treated in the same manner. Instructors and deans should work together to the extent possible prior to any communication with the student to determine the exact nature of the incident or incidents in question, in order to determine if misconduct has indeed occurred and how the situation should be handled.

Pg. 34 Early Honors Program | Terms and Conditions
New policy should read:
Students must meet the following criteria and expectations to participate in the Early Honors Program at Rasmussen College:

- Students must complete an Early Honors Program Application, which includes a high school attestation indicating expected graduation date. Early Honors students are not required to submit an application fee.
- Students must have prior approval from a parent/guardian to be admitted into the program (requires a signed
Early Honors Parent/Guardian Approval Form).

- Students must submit a signed Early Honors High School Approval Form.
- Students are required to be a junior or senior, and have a minimum cumulative high school grade point average of 2.25 (out of a possible 4.00). Such GPA must be validated by the High School Counselor or Administrator on the Early Honors High School Approval Form.
- The Early Honors Program Application deadline is four weeks prior to the start of the intended quarter of enrollment.
- A maximum of 20 Early Honors students will be accepted per quarter, per campus.
- To continue enrollment in the Early Honors Program, students must maintain a minimum Rasmussen College cumulative grade point average of 2.00 (out of a possible 4.00).
- Students must score at least a 25 on the writing portion of the Rasmussen College STEP assessment to be accepted and admitted into the Early Honors Program.
- Juniors or seniors may take up to 4 credits per quarter without a tuition charge. The student must meet with the DOA and Dean of Student Learning before being accepted to ensure the student meets all criteria and requirements, and to approve the schedule. After receiving a grade of B or higher in his/her first class, the student can request a second class for the second quarter. A maximum of 24 credits per student can be taken in the Early Honors Program.
- Applicants will be accepted on a space available basis for each course selected.
- Early Honors students must meet all course prerequisites as listed in the catalog. Nursing courses designated with a “PN”, “PRN” or “NUR” are not available to Early Honors students.
- Students must cover the cost of textbooks and supplies for each course. Most technology courses require access to specialized hardware and software, which are available to students at all Rasmussen campuses. Early Honors students electing to complete courses online will need to secure access to required hardware and software. The college will provide specific information on each course, including textbook prices and technology requirements.
- Students will receive college credit toward a Bachelor’s or Associate’s Degree at Rasmussen College for all successfully completed courses. Students who elect to pursue their education at another academic institution will be issued a transcript from Rasmussen College. These credits may be transferable at the discretion of the receiving institution.
- Students will receive high school dual enrollment credit for successfully completed Early Honors courses at the discretion of the student’s high school. Approval for dual enrollment credit must be confirmed on the High School Approval Form.
- Students may apply to a full program of study by completing an Application for Admission and submitting an application fee.

Pg. 39 Accreditation
Statement on Health Information Technician accreditation should read:
