MAKE A LASTING AND MEMORABLE IMPACT ON PATIENTS

Our medical assisting program gives you the education in direct patient care that you need to help start your career as a medical assistant. With competitively priced tuition and additional programmatic accreditation at many of our campuses, you can be confident you are making a valuable investment in your education.

MEDICAL ASSISTING CAREER PATH

Our program is designed so you can earn the credentials you need to help you advance on your career path. You enroll in core courses every step of the way so you are prepared to succeed in your industry. National statistics show that earning an Associate’s or Bachelor’s degree—regardless of the field of study—can improve income potential in today’s job market.¹

To plan for your future, check out the career title that coincides with our credentials and browse the growth and salary data projected by the Bureau of Labor Statistics.²

³ Completion time is dependent on transfer credits accepted and courses completed each term.
**PROGRAM HIGHLIGHTS**

**GAIN IN-DEMAND SKILLS**

Our medical assisting program gives you a solid understanding of medical terminology, anatomy, pathology and basic concepts of pharmacology and psychology. Medical assistants are tasked with important procedures, such as measuring vital signs, administering injections and performing venipuncture (drawing blood). As a student in our program you also learn to:

- Administer therapeutic injections and vaccinations
- Collect laboratory specimens and perform in-house clinical lab testing
- Perform EKGs, spirometry and audiometry
- Assist physicians with a variety of in-office procedures

**CERTIFICATIONS AND EXAMS**

Upon graduation, you are prepared to take the industry standard in medical assisting certification—the registration fee for either the CMA or RMA, depending on campus accreditation status, is reimbursed as part of your tuition.*

**REAL-WORLD EXPERIENCE**

Through your clinical externship, you complete 240 hours of real-world work experience while learning to:

- Care for patients one on one
- Perform medical procedures
- Gather patient information
- Help doctors stay organized

**ACCREDITATION**

The Medical Assisting Diploma programs at the Bismarck campus in North Dakota; Kansas City/Overland Park campus in Kansas; the Aurora/Naperville, Mokena/ Tinley Park, Rockford, and Romeoville/Joliet campuses in Illinois; the Fort Myers, Ocala, New Port Richey/West Pasco and Tampa/Brandon campuses in Florida; the Appleton, Green Bay, and Wausau campuses in Wisconsin; and the Blaine, Bloomington, Brooklyn Park/Maple Grove, Eagan, Lake Elmo, Mankato, and St. Cloud campuses in Minnesota are accredited by the Accrediting Bureau of Health Education Schools (ABHES).

7777 Leesburg Pike, Suite 314
North Falls Church, VA 22043
703-917-9503

The Medical Assisting Diploma program at the Moorhead campus is accredited by the Commission on Accreditation of Allied Health Education Programs (caaahep.org) upon the recommendation of the Medical Assisting Education Review Board (MAERB).

1361 Park Street
Clearwater, FL 33756
727-210-2350

*Rasmussen College will reimburse the application fee for each qualified student’s first attempt at the CMA or RMA exam. Should you need to take the exam more than once to receive a passing score, you will be responsible for all subsequent exam application fees.
